

Time bonus

Exam language: English

Dear participant, dear participants,

It is possible for non-native speakers in ISTQB Certified Tester and A4Q exams to obtain an extended test time of 25%.

Thus, the examination time extension can be approved requires the audit firms following information and agreements of the user:

1. Name, first name of participant:

2. Native language:

5. Nationality:

The examination language is **English**.

- I hereby confirm that the examination language is not my native language and I would therefore like to apply for the time bonus.
- I agree to the electronic storage, processing and forwarding of my personal and business data to the test centre GASQ Service GmbH, Keltenring 15, 82041 Oberhaching.
